

## Help support ocean conservation & tell stories about national marine sanctuaries

Project Title	Help support ocean conservation & tell stories about national marine sanctuaries
Project Summary	Help us tell stories about America's underwater treasures by researching and writing articles about your National Marine Sanctuary System for <a href="https://sanctuaries.noaa.gov">sanctuaries.noaa.gov</a> .
Country	United States

## Project Description

Join the NOAA Office of National Marine Sanctuaries (ONMS) Education & Outreach Team and help tell the stories of your national marine sanctuaries! ONMS is seeking an intern to create written content for [sanctuaries.noaa.gov](https://sanctuaries.noaa.gov). The articles you write will help inform the public about current events, research, and natural and cultural resources in the National Marine Sanctuary System. Articles can and will be tailored to the intern's interests and knowledge.

Tasks may include brainstorming and researching topics, interviewing subject matter experts, locating images, and writing and editing text. You'll work with the ONMS writer/editor/social media coordinator to develop your stories.

We are looking for an individual who has strong writing and editing skills. Familiarity with ocean conservation and ocean science is helpful but not a necessity. This intern will gain experience writing for the web and with web best practices, and will increase their familiarity with ocean conservation topics and science writing.
